Shareholders will be instructed as to how they can give their consent to the proposed changes as outlined in the listing statement shortly.

Mr. Frank Kordy stated: "Receiving conditional approval from the CSE is a corporate milestone event, and a very important step in allowing the Corporation the ability to fully diversify itself into strategic investments outside the mining sector. Management strongly feels that not being fully dependent on mining and exploration, will immediately bring stronger revenue growth and a better return to the Corporation's shareholders in a much quicker and consistent fashion."
