

NEWS RELEASE

SecureCom Mobile Expands Advisory Board with Entrepreneur Willi Mannheims

TORONTO, ON--(Marketwired - April 14, 2016) - SecureCom Mobile ("SecureCom", "the Company") (CSE: [SCE](#)) (OTC PINK: [SCQBF](#)) (FRANKFURT: S6UN), announced today that entrepreneur, Mr. Willi Mannheims, Managing Partner of Mannheims Consult GmbH, will be joining the Company's Advisory Board. Mr. Mannheims has a highly successful track record working with both small and large corporations and transforming start-ups and established businesses into high growth, profitable enterprises.

During the last 25 years in the Technology, Media, Telecommunications sector, Mr. Mannheims as a CEO or Investment Partner has created four very successful EURO denominated IPOs. He established as a serial entrepreneur, "secunet AG" operating as CEO one of Germany's leading providers of IT security, and "escrypt GmbH" operating as Managing Director a company providing embedded security products and solutions worldwide. In addition, he has realized Management Buy In opportunities such as the Swiss technology company, "eracom AG", and the International School of IT Security, "isits AG", operating both as CEO. In addition, Mr Mannheims has held multiple Supervisory Board of Directors positions, and several leading positions in corporate venture business development, and strategic planning at "DASA/Daimler Chrysler" and "CUBIS AG".

Mr. Mannheims currently leads a consulting and investment practice that creates shareholder value for small, medium, and large-sized companies to help accelerate growth, launch new products, raise capital, and develop strategies to maintain leadership within client industries.

Roland Bopp, CEO of SecureCom Mobile said, "It is my pleasure to welcome Mr. Mannheims to our advisory board; with his addition to the SecureCom team, we hope to expand our global corporate and capital markets expertise. His entrepreneurial background building companies from their inception through global strategic alliances will serve as an invaluable asset to our Company."

About SecureCom Mobile Inc.

Forward-Looking Information

This press release may include forward-looking information within the meaning of Canadian securities legislation, concerning the business of SecureCom Mobile Inc. Forward-looking information is based on certain key expectations and assumptions made by the management of SecureCom Mobile Inc., including future plans for the research and development of digital products, including the iOS version, and the effectiveness of the products. Although SecureCom Mobile Inc. believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because SecureCom Mobile Inc. can give no assurance that they will prove to be correct. Forward-looking statements contained in this press release are made as of the date of this press release. SecureCom Mobile Inc. disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.

Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include the failure to satisfy the conditions of the Canadian Securities Exchange, consumer sentiment towards the Company's products, technology failures, competition, and failure of counterparties to perform their contractual obligations and other risks detailed from time to time in the filings made by the Company in securities filings.

The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. The reader is cautioned not to place undue reliance on any forward-looking information contained in this news release.
